Smart Local Shoppers brings local businesses the best advertising solution on the Internet. By combining GEO locations based coupon marketing and reputation marketing. Smart Local Shoppers is building the best "Precision Local Marketing System"

Smart Local Shoppers is helping local businesses reduce advertising costs while increasing sales revenues. Smart Local Shoppers is offering a 50% discount off the original price for one time set up fees. The current promotion will end on December 31, 2009.

Smart Local Shoppers brings local businesses the best advertising solution on the Internet. By combining GEO locations based printable coupon marketing and reputation marketing, Smart Local Shoppers is building the best "Precision Local Marketing System" for all local businesses large and small, with organic search engine traffic.

The businesses applying this unique service will save costs in advertising, and eliminate physical boundaries by using the resources available on the Internet. Customers can easily find coupons for specific stores, restaurant coupons or local coupons and print only the ones they need. By printing coupons online, the amount of discarded coupons will be reduced, helping the environment. Smart Local Shoppers provides additional information on other partnered services in the surrounding area of interest. This is a Win-Win shopping system for consumers, businesses and the environment.

If you are struggling due to the economic downturn, need to reach out to online customers, become part of the "Network that has Greener Solutions". Smart Local Shoppers set up provides: SEO services, free photo gallery, Google map integration and much more. The current promotion offer is a \$199 one time setup fee and \$24.99 a month. This is a 50% savings from original price. Offer ends December 31, 2009.

Join the companies that are harnessing the power of the Internet and staying strong through questionable economic times. Help consumers shop smart and shop local. To learn more about how Smart Local Shoppers can help your business contact sales at 480-559-8885 or SmartLocalShoppers.com.
